Some monthly employee premium contributions are not divisible by two, so a .01 rounding is included in employer cost

This page is provided as a guide to employee premium contributions. Please confirm rates used with carrier contracted rates first payroll cycle that follows any rate change. This document is not intended for distribution to employees.

Note that employee contributions may be taken on a pre-tax basis provided compliance and eligibility criteria are met

Employer pays 70% for employee only on the lowest cost plan and 0% for dependents
